SUCCESS STORY

Customer

Name: Leboeuf

Industry: Visual Merchandising

BUSINESS FIELD

Leboeuf (www.sarl-leboeuf.com) offers high-end solution for visual merchandising.

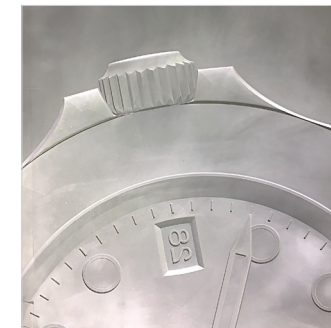

CHALLENGE

Leboeuf had to thermoform a crystal-clear sheet for a display panel. To meet the high-quality requirements of its customer, it searched for a microporous material.

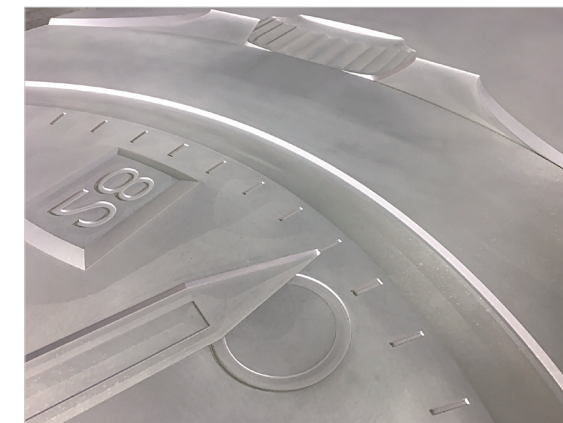

SOLUTION AND ADVANTAGES

Leboeuf was immediately convinced by **ALWA POR**, with which outstanding surface qualities can be realized.

*Thermoformed sheet
of a display panel.*

*High-definition
milled ALWA POR
ALUMINIUM
vacuum mould.*

*High precision mould
which ensures highly
cosmetic results.*

ALWA MOULD POR

is the perfect
solution for
highly cosmetic
applications
